   The proposed Ordinary Resolutions, if passed, will enable the Company to align the long-term interests of eligible executives and/or directors of GLM and its subsidiaries with those of the shareholders of the Company, as well as to motivate and reward them; and provide flexibility to the Board to satisfy the Options and/or Grants through other avenues such as by issuance of new Shares and transfer of treasury Shares.

   Please refer to Section 85(1) of the Act and Clause 50 of the Company's Constitution as detailed below.

   Detailed information of the Proposed ESS and Proposed Allocation are set out in the Circular to Shareholders dated 28 October 2022 which is available on the Company's website at https://guocoland.com.my/investor-relations.

Details of Section 85(1) of the Act and Clause 50 of the Company's Constitution

Pursuant to Section 85(1) of the Act read together with Clause 50 of the Company's Constitution, shareholders have pre-emptive rights to be offered any new Shares in the Company which rank equally to the existing issued Shares or other convertible securities.

Section 85(1) of the Act provides as follows:

"85. Pre-emptive rights to new shares

(1) Subject to the constitution, where a company issues shares which rank equally to existing shares as to voting or distribution rights, those shares shall first be offered to the holders of existing shares in a manner which would, if the offer were accepted, maintain the relative voting and distribution rights of those shareholders."

Clause 50 of the Company's Constitution provides as follows:

"50. Subject to any direction to the contrary that may be given by the Company in general meeting, all new shares or other convertible securities, shall, before issue, be offered to such persons as at the date of the offer are entitled to receive notices from the Company of general meetings in proportion as nearly as the circumstances admit, to the amount of the existing shares or securities to which they are entitled...

Subject to the provisions of this Constitution, the Directors may recognise a renunciation of any share by the allottee thereof in favour of some other person."

In order for the Board to issue any new Shares or other convertible securities free of pre-emptive rights, such pre-emptive rights must be waived. The proposed ordinary resolutions, if passed, will exclude your pre-emptive rights over all new Shares, options over or grant of new Shares or any other convertible securities in the Company and/or any new Shares to be issued pursuant to such options, grants or other convertible securities under the Authority To Directors To Allot Shares, and pre-emptive rights over options or grants offered or to be offered pursuant to the Proposed ESS and/or any new Shares to be issued by the Company pursuant to the Proposed ESS.
